GOVERNMENT OF INDIA
RAILWAYS
LOK SABHA

UNSTARRED QUESTION NO:1642
ANSWERED ON:27.07.2016
Non-availability of Dustbins
Bharathi Mohan Shri R.K.

Will the Minister of RAILWAYS be pleased to state:

(a) whether the Railways is aware about non-hygienic condition in rail coaches due to non-availability of dustbins; and

(b) if so, the details thereof and the action taken by the Railways in this regard?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS

(SHRI RAJEN GOHAIN)

(a) & (b): Maintenance of hygienic condition of train coaches is a continual process. While Air-Conditioned (AC) coaches were being provided with dustbins, provision of the same was not there in certain non-AC coaches. Indian Railways is now providing dustbins in all newly manufactured AC and non-AC mainline coaches. Retrofitment of dustbins in existing coaches, where such a provision is not available, has also been taken up in progressive manner.
